

**List of products with Martek's DHA additives bearing the "USDA Organic" seal.**

**Martek's DHA ("Life'sDHA") has not been approved for use in organic foods. These additives have been linked to serious gastrointestinal symptoms in infants, according to reports submitted to the FDA's Medwatch program.**

**Organic consumers concerned with the integrity of the organic foods they buy are encouraged to avoid the foods below:**

**For children and adults**

Wegmans's Organic Yogurt (Fruit on the Bottom Super Yogurt)  
Horizon Organic Milk  
Nogurt (by Rich and Wholesome Foods LLC)  
Stremicks Heritage Foods Organic Milk  
Good Cacao chocolate bars

**Baby Food** (select products contain Martek's DHA)

Happy Bellies  
Tasty Baby Organic Infant Cereal

**Infant Formula** (all organic infant formula products contain Martek's DHA. An organic toddler formula, Baby's Only Organic, does not contain Martek's DHA and ARA but uses water-extracted egg yolk as a source of DHA/ARA)

Bright Beginnings Organic  
Earth's Best Organic  
Parent's Choice Organic  
Similac Organic  
Vermont Organics
