See permit conditions below

PERMIT CONDITIONS

This APHIS-issued import permit only covers compliance with APHIS regulations and requirements. Therefore, this APHIS permit for the commodity to be imported does not reduce or eliminate the permittee's legal duty and responsibility to likewise comply with all other Federal and State regulatory requirements applicable to the commodity to be imported.

The importer or designee is responsible for confirming with CBP and PPQ at the destination port in advance of each shipment, that CBP and PPQ has the capacity to clear or handle permitted air and maritime cargo shipments, including bulk, mail, and express consignment shipments

The applicant for a permit for the importation of regulated articles into the United States must designate the person who will be named as the permittee upon the permits issuance. The applicant and the permittee may be the same person or different persons and the submission of this form affirms that the applicant is at least 18 years of age.

The permittee is the legal importer of an article and is responsible for complying with the permit conditions. The permittee must be at least 18 years of age and have and maintain an address in the United States that is specified on the permit and be physically present during normal business hours at that address during any periods when articles
